Hello Karen:

Congratulations on the above contract being awarded to your company! You are now able to begin work on this contract. I will be out of the office next Monday, so I thought we could have the Post-Award Telecom on Tuesday. EPA and your company can work out the details as to when to have the Post Award Conference. Meanwhile, I'm sure that you would like to get started with the job at hand and you may.

Please let me know when you can do the telecom and we will make that happen.

Thank You,
Amber Krueger
